## TYPES OF CEREMONIES - DOMINICAN REPUBLIC

If you have made a request for a civil ceremony or for a specific religious affiliation, it will be confirmed according to the availability of the relevant Minister or Judge and local laws. Each religious affiliation determines its own fees for the services they provide and also applies a payment to the administration of the Resort. These costs will be communicated when the couple request the service. Therefore, it is very important that you reconfirm the type of wedding ceremony you want, as we must reserve the appropriate office for it.

### RESIDENCY REQUIREMENT

There is no residency requirement or waiting period to marry in the Dominican Republic and this applies to all styles of ceremonies. However, we recommend that couples arrive at least 2 days before the wedding date.

THE SYMBOLIC CEREMONY is included in all our packages and is the most popular ceremony. It is conducted by a nondenominational marriage officiant and includes practically the same statements as the civil ceremony, but it is not a legally binding contract. It is much less complicated than legally binding ceremonies, with no need to organize, translate, or bring legal documents to the Dominican Republic, and allows you to choose from a variety of ceremonies to ensure your vows are expressed your way. If you want to get married legally, this can be done in your country / state of residence prior to staying with us. The symbolic ceremony is carried out in Spanish.

THE CHRISTIAN BLESSING is led by the local evangelical pastor from Punta Cana. The ceremony lasts approximately 20 minutes. Remember that this is not a legally binding contract and that legal documentation must be completed in your country / state of residence prior to staying with us and you must bring a copy of the marriage license to your destination. The Christian blessing ceremony is conducted in Spanish or English.

DOMINICAN REPUBLIC: \$ 605 USD plus taxes

THE CATHOLIC WEDDING is officiated by a Catholic priest and is a legally binding ceremony. Because of their character as a religious ceremony, Catholic weddings must take place indoors, in the garden in a ballroom or on a covered terrace. There is also a small church a short drive away and round-trip transportation at an additional cost. It is the client's responsibility to complete all the necessary legal documentation and comply with all payments related to this process. Be sure to carefully review and follow all the instructions provided in the separate folder of the Parish of the Master Jesus. The Catholic ceremony is conducted in Spanish and can be translated by a member of the Romance team.

DOMINICAN REPUBLIC: \$ 1,000 USD plus taxes

## TYPES OF CEREMONIES - DOMINICAN REPUBLIC

THE CIVIL WEDDING also known as a legal wedding, is a legally binding ceremony and is conducted by the Justice of the Peace. This province of the Dominican Republic only has one Justice of the Peace, so separating dates can be difficult and sometimes we cannot confirm the day and time for a meeting with the Judge until a week before the wedding. In addition, due to limited availability, the Justice of the Peace may not officiate at the time of the ceremony, however, he will definitely review and sign all the legal documents to be formalized for the marriage. The marriage certificate will be sent by the courier service to the wedding couple at the known postal address {this may take up to 6 months}. The Judge is an external service offered by the Local Government and Serenade Punta Cana will not be responsible for any delay or modification. It is the responsibility of the wedding couple to have all the documentation prepared 3 months in advance of the wedding date. The civil wedding ceremony is conducted in Spanish and can be translated by a member of the Romance team.

DOMINICAN REPUBLIC: \$ 1,105 USD plus taxes. Includes a \$ 250 non-refundable fee

For help with legal documents, we may suggest that you contact: [www.wedo.com.do](http://www.wedo.com.do). Please note that there are fees related to We Do.

Legal / Civil and Catholic ceremonies cannot be held on Sundays or major holidays. Vow renewal can be conducted by a nondenominational marriage officiant or evangelical pastor.
